DAAP, University of Cincinnati

BS in Industrial Design
Class of 2028

Walnut Hills High School

High School Diploma — 3.6 GPA
Class of 2023

Awards

DAAP Dean’s List
2023 AP Scholar

EXPERIENCE

Formation Design Group

Atlanta, GA; 05.2026 - 08.2026
Industrial Design Co-op

Design co-op at a consulting firm serving businesses ranging from national corporations to new start-ups. I worked on projects across this spectrum, gaining valuable experience illustrating and developing a variety of client-facing concepts. I designed and prototyped materials for multiple on-site client presentations, receiving positive feedback.

M3 Design

Austin, TX; 08.2025 - 12.2025
Industrial Design Co-op

Design intern at a consultancy developing products across multiple different business sectors. Projects I worked on included medical devices, ergonomic controllers, laboratory instruments and industrial equipment. I presented design directions to clients weekly, often receiving strong feedback. As a result, I gained a deeper understanding of the business implications of design when working in a consulting setting.

Chamberlain Group

Chicago, IL; 01.2025 - 05.2025
Global Innovation Group

Industrial Design co-op on a team tasked with developing an innovative smart-home device. I worked closely with designers and engineers to take a project from ideation to delivery using a breadth of skills such as sketching, CAD modeling and physical prototyping.

EXPERTISE

Physical

- Design thinking
- Sketching
- Rapid Prototyping
- Woodworking
- Circuit Building
- Storyboarding
- German (conversational)

Digital

- Adobe Creative Cloud
- Solidworks
- Fusion 360
- Keyshot
- Basic Rhino
- Procreate
- Figma
