EXPERIENCE

Chamberlain Group
Chicago, IL ; 01.2025 - 05.2025
Industrial Design Co-op

Co-op on the Global Innovation team responsible for developing a new smart-home device. Worked closely with designers and engineers to take a project from ideation to delivery using a breadth of skills such as sketching, form exploration, CAD modeling and physical prototyping. Presented the design to the CEO and senior stakeholders, receiving positive feedback.

Urbana Cafe
Cincinnati,OH ; 01.2022 - 10.2023
Manager

Promoted to manager after working as a barista for over a year. Was responsible for managing a team of around 15 employees as well as ordering and organizing thousands of dollars worth of supplies. Communication, leadership and team working skills were crucial to running a smooth day at the cafe.

Climb Cincy
Cincinnati,OH ; 05.2024 - 12.2024
Youth Climbing Instructor

Climbing coach at a local gym. Shared my love for the sport with a team of kids through organization of various climbing programs. Coaching requires a unique balance of encouragement and critique to become a mentor to each child.
